MR. GEE

Mr. Leslie Gee has spent forty-four years of his life teaching students in District #129. He is the only printing teacher that West High has ever had. He is the peppy man responsible for many things that add to our enjoyment of school activities—such as the printing of the RED & BLUE, printing of tickets, programs, Pep Club signs and tags, and the Blackhawk Guide. Mr. Gee is also respected in the community for the responsible and skillful printers he has trained.

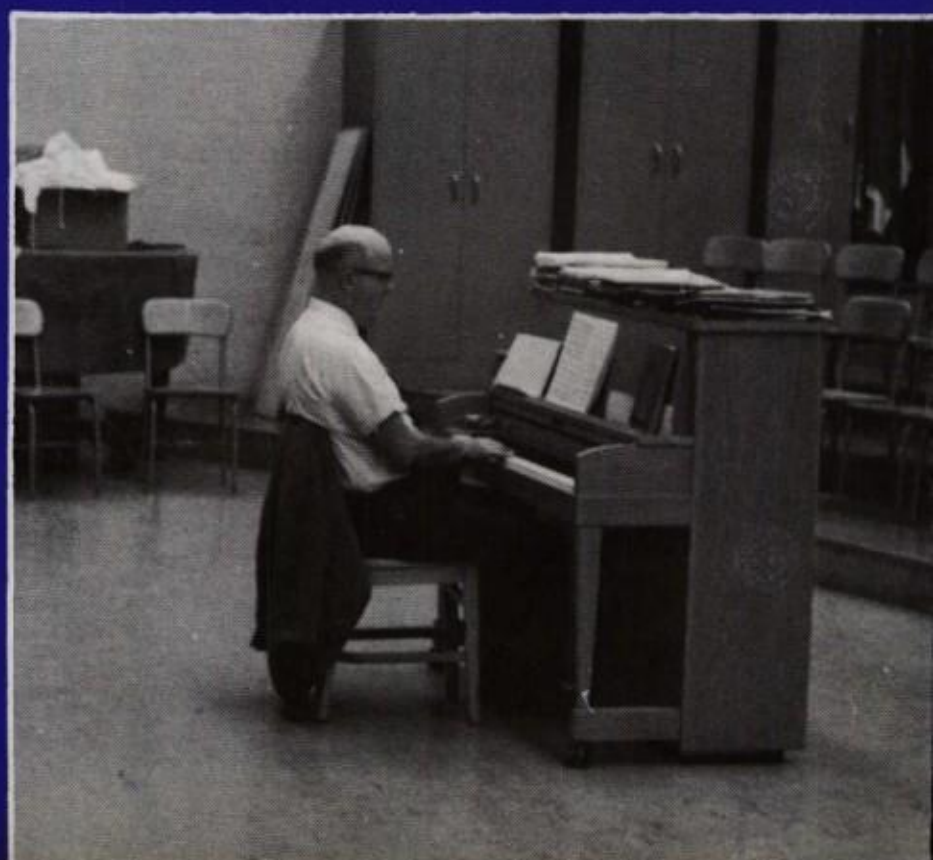

We—and thousands of West High alumni—thank Mr. Gee for his dedication to us: we dedicate to him the 1967 *Eos*.

STUDENT COUNCIL

STUDENT COUNCIL OFFICERS. (l to r): Treasurer Martha Petree, President Scrib Ochsenschlager, Secretary Sue Wredling. Missing from picture: Vice-President Jim Longley.

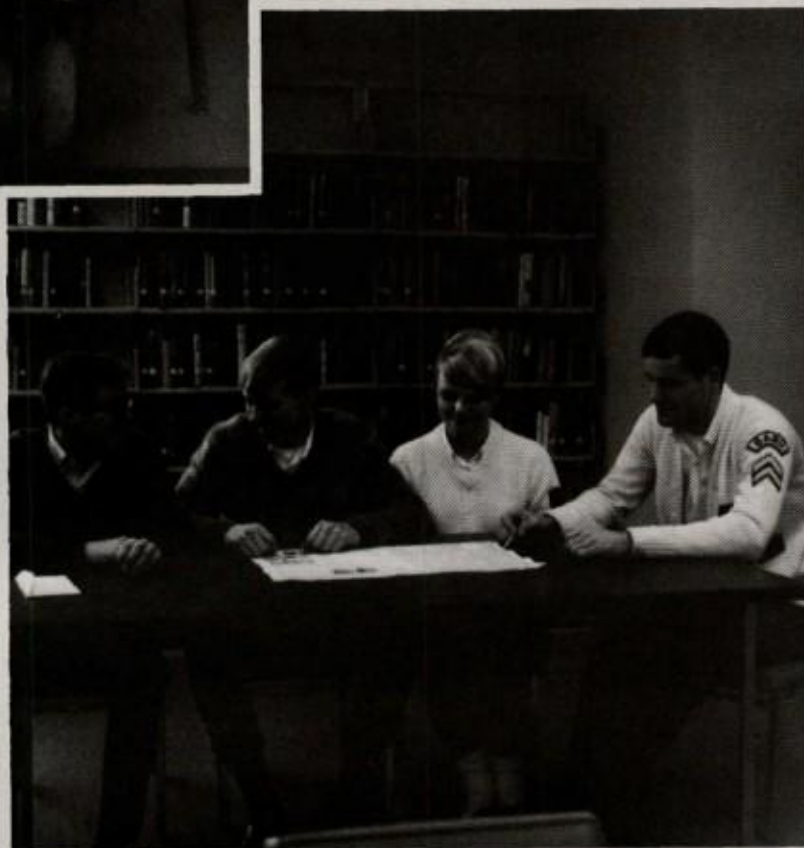

Student Council is the organization designed to handle student affairs in relation to the faculty, the administration, the community, and other schools.

This year's Student Council has ventured into new areas of rallying a bon-fire pep assembly, buying a juke box, putting "Blackhawks" on our press box, buying West High T-shirts and jerseys, and running the Laurie Traman Fund Drive.

Members of the Student Council have created new decorating ideas for Homecoming and the introduction of the first "popular combo" in West High history. This year's Executive Board has found that because of expanded programs a greater utility of section representatives has become necessary and has had considerable success in decentralizing the responsibility and bringing Student Council to the "grass-root" level.

Success in inter-school student council has remained high; we have in the last four years attained a position of considerable respect in State, District, and Area Council organizations.

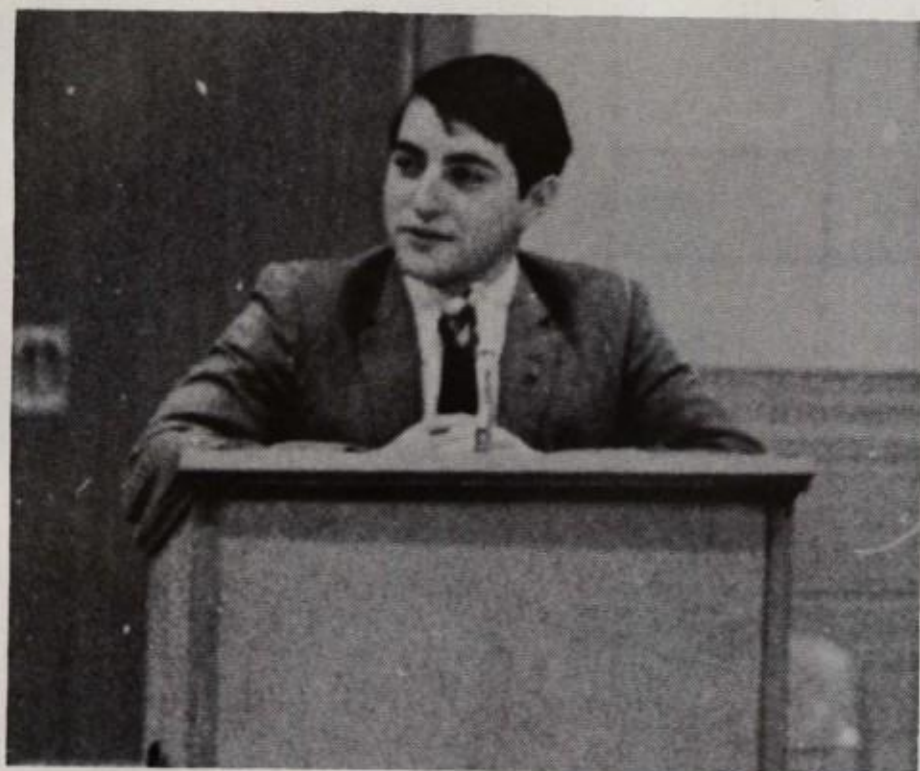

A new emphasis then on "getting-to-the-people" has drawn West out of the shell it once had in local council activities and now gives us a firm stand upon which to lead in the State, District, and Area Council Organizations.

STUDENT COUNCIL BOARD. (l to r): Jeff Liddle, Mike Miller, Renee Balthazar, Steve Ethington.

Mr. Lindstrom congratulates Northwest District President Wally Smith.

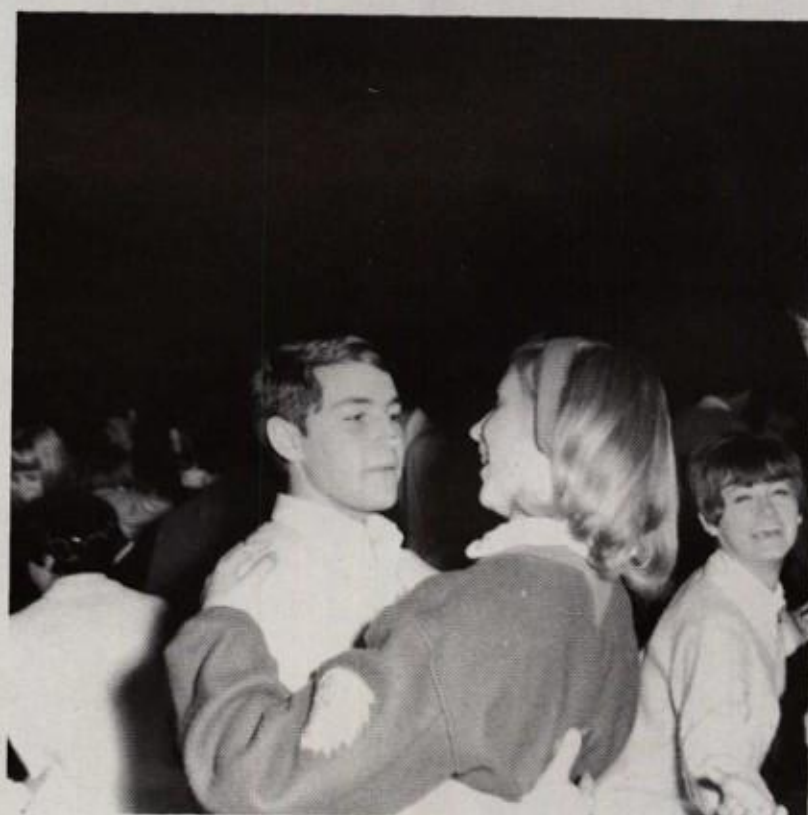

MARIO

When I first came I was really lost. I didn't know anybody; I didn't speak English, and West High was so big!

But I found friends, very good friends, and I'm having lots of fun with everybody. I'm not looking forward to going home and I really would like to spend another year at West. It has been wonderful.

When I go back I have to go to school three more months and then I'll try to get into the medicine school. I have to stay in my country two years, but I'm sure I'll come back and go to some college in the U.S. — maybe the University of Illinois or U.C.L.A. in California.

Mario Kapusta, from Buenos Aires, Argentina, had the unique experience of being the principal's "son" this year!

Isa Russi, our AFS student from Rome, Italy, has spent her year with the Fagan family. Her real family in Rome lives about one block from the Coliseum. Isa has graduated from her high school and is capable of teaching first and second grades. After returning she will continue her education at the university in Rome and in her spare time hopes to travel through Spain.

Isa has been active in West High activities as a Pom Pom girl, a Student Council Representative, and a member of Pep Club; she has been a favorite participant in other extracurricular activities as evidenced by these pictures.

Two stunning losses offset by a brilliant comeback combined to give the Blackhawks their first conference title in seven years. After being defeated by DeKalb and Larkin, West trounced East while Elgin Central squeaked by the Royals. This sequence gave West a three-way tie with East and DeKalb for the championship.

ACTION...

Undaunted by a poor season, the JayVee team showed endless spirit. Throughout the season they compiled a record of two wins and five losses.

Two JayVee Stars:

Dave Marzo

Barry Bowman

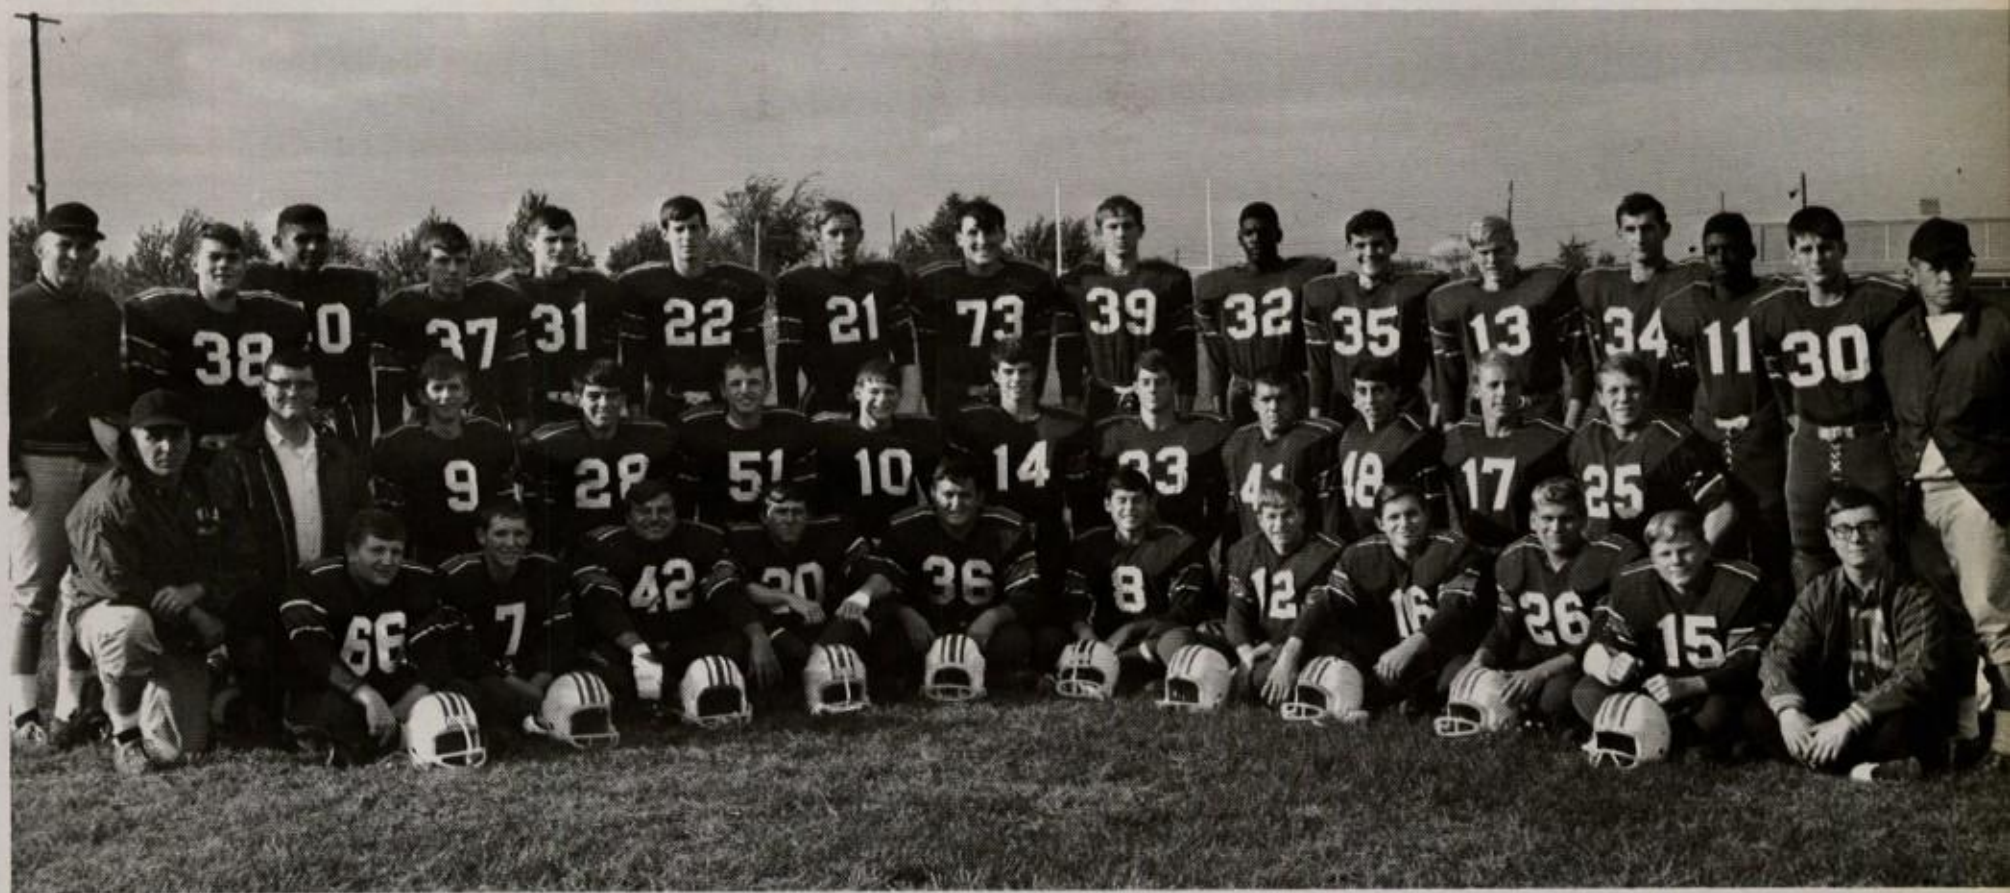

Jeff Jelly dances with an opponent while Randy Clawson waits to cut in.

The Hawklets, under the leadership of coaches Kerkman and Bauer, finished the season with a record of four wins and five losses. They upheld our end of the East-West rivalry by their 20 to 7 conquest over East.

WRESTLING...

VARSITY WRESTLING TEAM. 1st ROW (l to r): Dennis Noble, Co-captain Jim Jackson, Paul Casurella, Frank Reinert, Steve Glass, Rich Hittle, James Dillenburg. *2nd ROW:* Coach Funston, Ron Keenan, Gary Thomas, Dan Voga, Rich Peterson, John Pyle, Coach Plaskas. *3rd ROW:* Coach Bauer, Roland Keenan, Terry Haldeman, Bruce Raymer, Ray Choate, Co-captain Albert Henn.

Although it is not very apparent from the records, this year's wrestlers had a fine season with four wins, seven losses, and one tie, including some very tough meets against Reavis, Dekalb, and Geneva. An outstanding performance by Jim Jackson with 25 victories and only one defeat, including second place in the state contest, combined with many other commendable individual records, sparked the Blackhawks through their eventful season.

Next year's wrestling team will really be something to watch. The J-V record, which was 6-5, and the sophomore record of 8-4 (two losses were by two points or less) predict a great season for the Blackhawks come 1968.

SEASON RECORD
22-5

"WE'RE NUMBER ONE!"

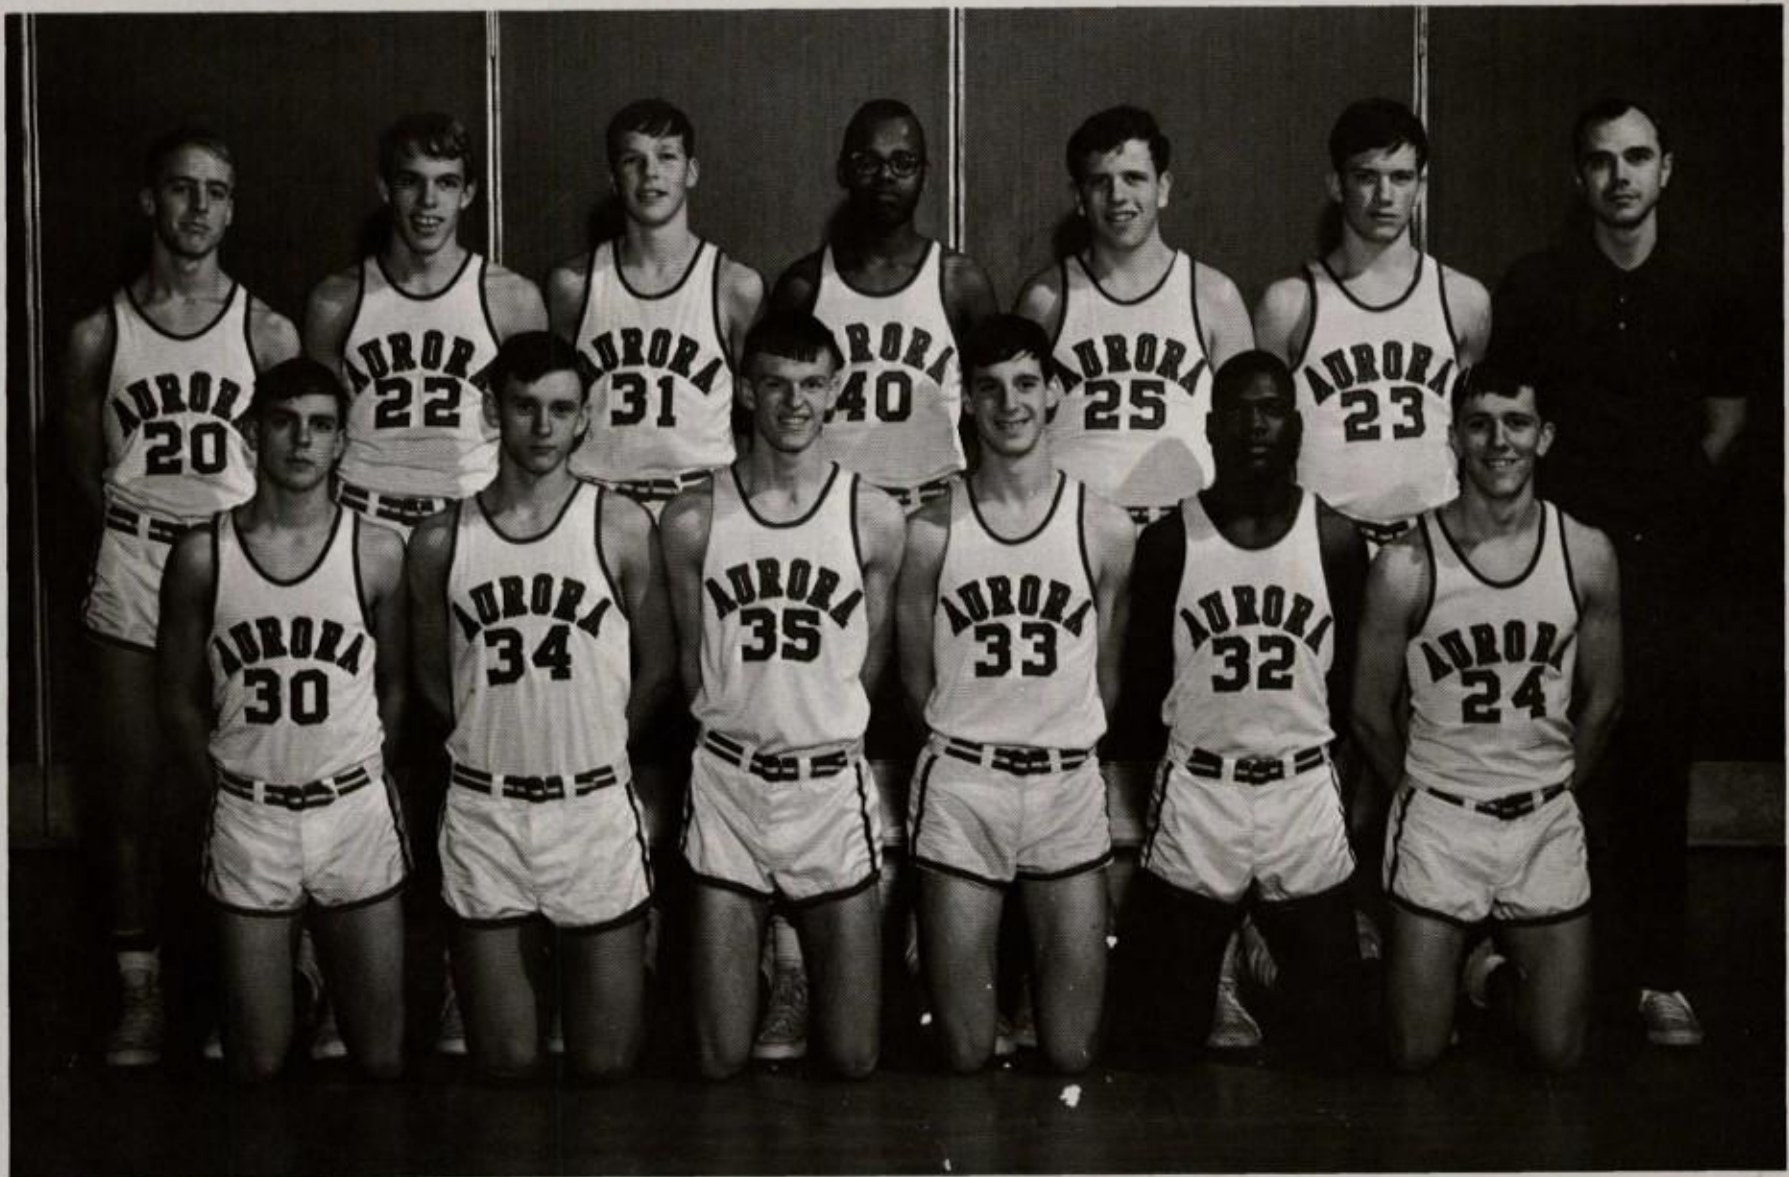

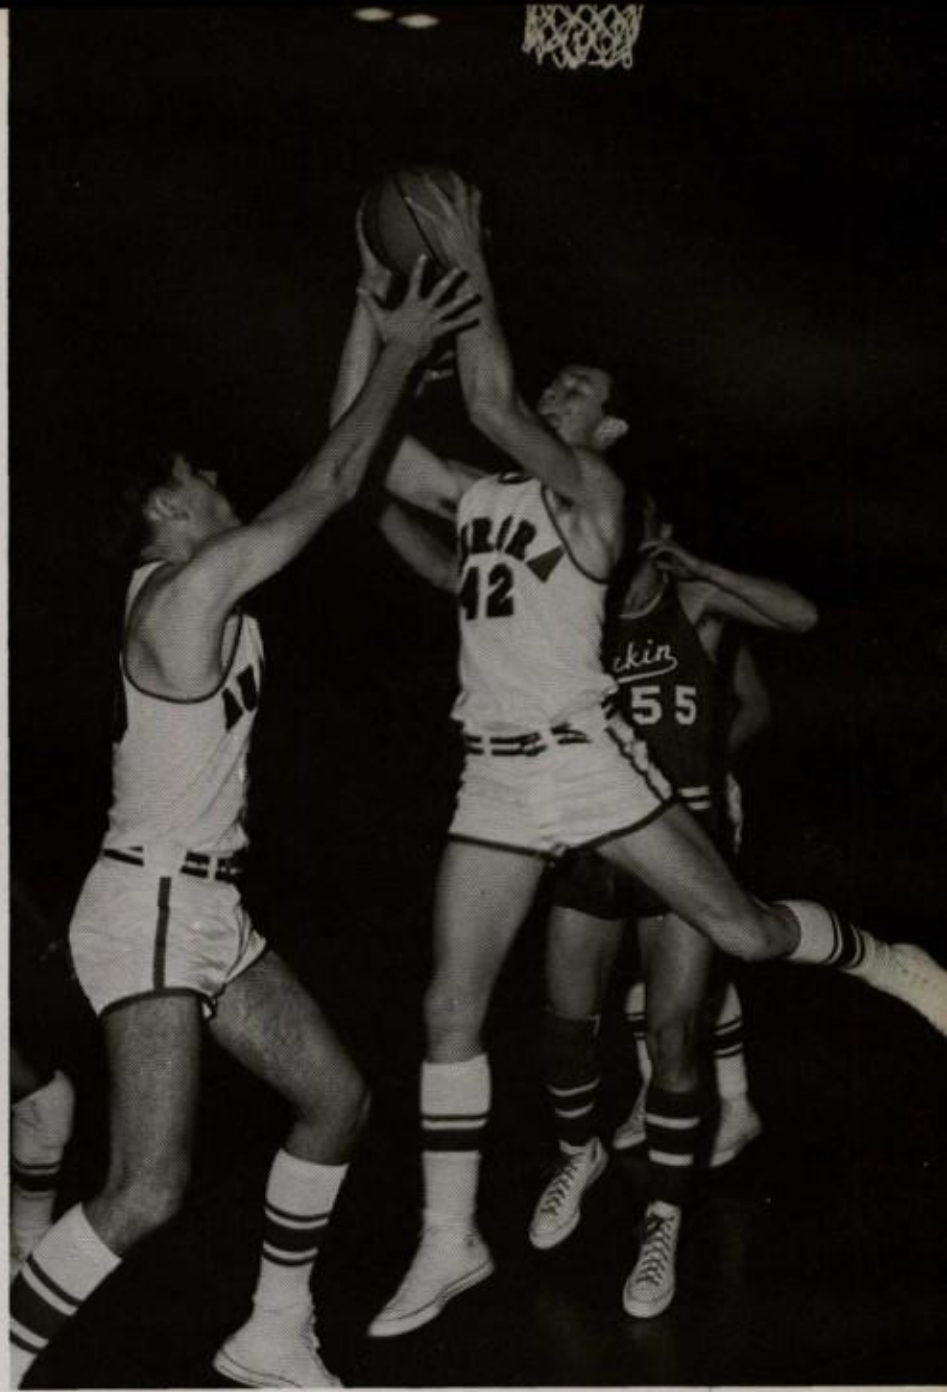

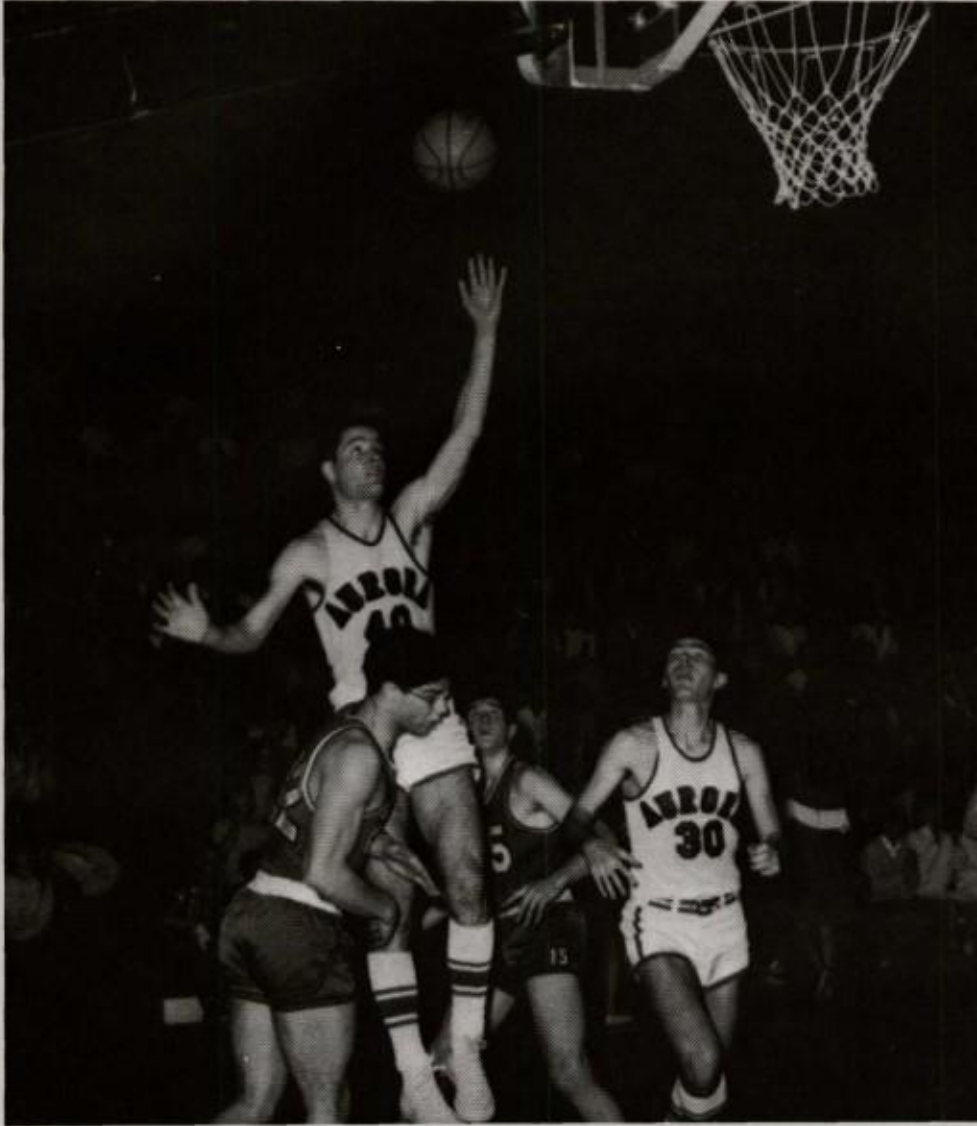

You could hear it in the confused jibber-jabber in the halls, you could see it in the students' faces, and you could feel it in the West High atmosphere. What is this spirit so abundant in Blackhawk air? Pride. In the helter-skelter weeks of the state tournament, pupils were eating, drinking, and studying basketball, and when West finally lost to Elgin in the sectional game, fans did not feel remorse at the loss, but pride, for the Blackhawks had left the season with a conference title, a regional crown, and a 22-5 record.

The sophomore (5-11) and junior varsity (9-7) teams did not have as much success as the varsity, but they had fine records just the same. Blackhawk fans can certainly look forward to more years of top-rate basketball at West.

THE J-V BASKETBALL TEAM. 1st ROW (l to r): Mark Vaughan, Enn Meister, Dave Theno, Bill Wright, John Davenport, Jack Coughlin. 2nd ROW: Dave Marzo, Doug Paluska, Jim Krelle, Lloyd Shepard, Dave Dawson, Bob Vaughan, Coach Kerkman.

OH,
REALLY!

The production of a yearbook is dependent on people other than those who are generally recognized as "the yearbook staff." In accordance with this fact, we would like to acknowledge the cooperation of the administrators, faculty, students, and patrons. Special thanks go to Mrs. Susan P. Reiter and Mr. Hugo Peterson, faculty advisors to the editorial and business staffs, to Mr. Steve Crady, advisor to our photography staff, to Walinger Studios, our class photographers; to Shelby Craftco Corporation, who executed our cover design; and to the American Yearbook Company, our publisher.
